### BOOSTING.

BOOSTERS is a name that has  
of recent years been applied to  
people who successfully adver-  
tise and push their business, and  
more particularly to communities  
who have the common interests  
of their communities at heart  
and unite for the purpose of ad-  
vancing their common interests.

Tracy City, some years ago,  
made a feeble effort in this direc-  
tion by the organization of a  
Board of Trade. That organiza-  
tion had only two meetings, be-  
fore the arder for community  
service cooled down. Neverthe-  
less the work accomplished was  
more than any individual could  
do by many months continuous  
devotion to the cause.

The truth of the saying "One  
man can do little, ten men can  
do more and one hundred men  
in organized capacity can do  
everything" has never been bet-  
ter illustrated than what was  
done by our Board of Trade.  
Thru organized effort we can and  
will make Tracy City and Grundy  
County bloom as never before.  
Hundreds of people, if they are  
made acquainted with the advan-

tages afforded here, for various  
investments, will gladly come  
and settle amongst us, and invest  
their money so as to provide pro-  
fitable employment for every one  
in our community.

Inquires are frequently receiv-  
ed here now addressed to the  
Board of Trade, the Postmaster  
and individual firms, asking for  
information regarding our town,  
or county. Unfortunately no  
funds have yet been available for  
publication of a booklet, setting  
forth these advantages, that  
could be sent out to these inquir-  
ers and it is simply impossible to  
answer general inquiries intelli-  
gently and fully by letter.  
There is great need of booklets  
of the kind described, that could  
be sent out to inquirers and also  
to be sent by every citizen of  
Tracy City and Grundy county to  
their acquaintances elsewhere.

At the Radcliffe Booster Club  
meeting May 24-25-26th it is  
hoped that the old Board of Trade  
will be revived and that new  
energy will be put into it to car-  
ry on the work started several  
years ago to "Put Tracy City on  
the Map." Part of the proceeds  
from the Booster Club Chantau-  
qua meeting will be devoted to-  
wards the publication of the  
booklet mentioned.

#### SAUCE FOR THE GOOSE.

"Look, mother," said little  
Bobby, proudly exhibiting a hat-  
ful of marbles. "I won all these  
from Willie Smith."

"Why, Bobbie," exclaimed his  
mother, "Don't you know it's  
wicked to play marbles for keeps?  
Go right over to Willie's house  
and give him back every one  
of his marbles."

"Yes mother," said the boy  
obediently. And I shall take  
that vase you won at Mrs. Smith's  
whist party and give it back to  
her?"

#### COOLING IT OFF.

Bill—I see a pocket size elec-  
tric fan has been invented.

Jill—To keep money from  
"burning in the pocket on doubt.

#### \$100 Reward \$100

The readers of this paper will  
be pleased to learn that there is  
at least one dreaded disease that  
science has been able to cure in  
all its stages, and that is catarrh.  
Catarrh being greatly influenced  
by constitutional conditions re-  
quires constitutional treatment.  
Hall's Catarrh Cure is taken in-  
ternally and acts thru the Blood  
on the Mucous Surfaces of the  
System thereby destroying the  
foundation of the disease, giving  
the patient strength by building  
up the constitution and assisting  
nature in doing its work. The  
proprietors have so much faith  
in the curative powers of Hall's  
Catarrh Cure that they offer One  
Hundred Dollars for any case  
that it fails to cure. Send for

### Middle Tennessee Normal Notes.

During the present term the  
students of Middle Tenn. Normal  
have heard a number of in-  
teresting and inspiring speakers.  
Dr. Laidler, of New York deliv-  
ered a very instructive talk on  
Socialism which resulted in the  
organization of a club among the  
students for the purpose of be-  
coming informed on Socialism.  
Dr. Zueblin, of Boston, delivered  
a series of lectures to the citizens  
of Murfreesboro under the aus-  
pices of the Civic League. His  
lectures created enthusiasm  
among those who heard them,  
and it is to be hoped that im-  
proved sanitary and civic con-  
ditions will result. He deliv-  
ered several lectures to the  
Normal students at Chapel hour,  
much to their delight and edifi-  
cation.

On April 7th, 8th and 9th a  
conference for rural workers was  
held in the Normal Auditorium.  
Among the prominent speakers  
were Dr. Tait, of Peabody, Drs.  
Trawick and Parker of the state  
Y. M. C. A. and Dr. Wethe-  
ford, traveling secretary for the  
South, of the Y. M. C. A. This  
conference created a new interest  
among the students in rural soci-  
al and educational problems.

Another interesting even-  
ing was the play, "Back to the  
Farm," given by the Grady  
Murfree Literary societies.

It was pronounced by all who  
saw it a very creditable per-  
formance. On the evening of  
the 22nd of April the Glee Club  
presented the operette, "Trial  
by Jury," to a large and appre-  
ciative audience.

Last Friday night the Claxton  
Droomgole literary societies gave  
their annual play. Which this  
year was entitled "At the end of  
the Rainbow," and was a great  
success, both from an artistic and  
financial standpoint. The base  
ball season is now at its heights.  
Beside a number of old players  
we have several new ones who  
give promise of developing into  
stars. The teams that meet the  
Middle Tenn Normal boys on the  
diamond this year will know that  
they have been in a game. The  
first of a series of inter-society  
ball games was played on Ander-  
son field last Tuesday afternoon  
which resulted in a tie, the game  
king called on account of dark-  
ness at the end of the 10th inning.  
Great enthusiasm prevailed.

The inter-state debate was held  
at each of the state Normal  
schools on the evening of April  
22nd. Two representatives of East  
Tenn. Normal were defeated  
here by B. H. Odom and W. B.  
Knott. The commencement ex-  
ercises will include such interest-  
ing features as the inter-society  
debate, the Essay and Oratorical  
contest, the Senior and Junior  
receptions, Alumni Banquet etc.  
The exact date for these exercises  
have not yet been fixed. Com-  
mencement day will be May 31.  
We are expecting a large attend-  
ance during the summer time.  
Extra teachers and extra courses  
have been arranged for, especi-  
ally for the benefit of rural teach-  
ers who are deprived of the priv-  
ilege of attending the regular  
time.

## Saved Girl's Life

"I want to tell you what wonderful benefit I have re-  
ceived from the use of Thedford's Black-Draught," writes  
Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds,  
liver and stomach troubles. I firmly believe Black-Draught  
saved my little girl's life. When she had the measles,  
they went in on her, but one good dose of Thedford's  
Black-Draught made them break out, and she has had no  
more trouble. I shall never be without

Our 1915 Holiday stock, both in  
variety and quality, is 100 per cent  
complete. To the best of our know-  
ledge and belief, we are the **ONLY**  
concern in the south of which this  
can be said.

This highly desirable situation is  
due solely to the fact that our buy-  
ers were kept at work during the  
fall and winter selecting and pur-  
chasing goods at the various toy centers.

Buyers who come into our sample rooms may count on  
finding the assortments and prices so normal that they will be  
spared the penalties which less fortunate or less forehanded  
buyers will most certainly suffer.

#### Holds Meeting.

Rev. J. D. Northcutt is conduct-  
ing a revival meeting this week  
at the Christian church in this  
city. Good congregations are re-  
ported and Rev. Northcutt's  
preaching in which is contained  
sound logic, truth and earnest-  
ness, is finding lodgement with  
his hearers. The public is cord-  
ially invited to attend these ser-  
vices.—The South Pittsburg  
Hustler.

#### Avoid Spring Colds.

Sudden changes, high winds,  
shifting seasons cause colds and  
grippe, and these spring colds are  
annoying and dangerous and are  
likely to turn into a chronic sum-  
mer cough. In such case take a  
treatment of Dr. King's New Dis-  
covery, a pleasant Laxative Tar  
Tyrop. It soothes the cough,  
checks the cold and helps break  
up an attack of grippe. Its al-  
ready prepared no mixing or  
fussing. Just ask your druggist  
for a bottle of Dr. King's New  
Discovery. Tested and tried for  
over 40 years.
